

# DAVOS CHARTER

*We are connected to All and our Life resonates with everything  
We can leave the labyrinth of negativity and fear behind  
We can dissolve the strains and weight in our lives  
We can find balance in the stillness of quiet equilibrium  
We can rediscover the eternal Dance*

- The PoS movement, Davos 2020, to create a platform for positivity and peace.
- The Davos Charter is the light to guide the way for people with high level talents and networks
- The Circle of Enlightenment passes around the world and across generations
- The Members demonstrate strength to show how a peaceful society enhances humanity
- The Davos Centre will inspire satellites around the world
- The Gatherings of POS will celebrate the Life given by water in all its forms
- The PoS Foundation, not-for-profit based upon Timeless Values shared by all
- The PoS Association, membership organisation open to individuals & organisations
- The Mission of PoS is to work with creative thinkers and innovators for positive change
- The Pos communications will touch all and celebrate diversity and inclusion
- The PoS will be effective in developing a more mature and peaceful society
- The PoS collaborates with people, organisations and communities to promote harmonious living, environmental responsibility and global citizenship to our planet

**The home of harmonious resonance**
